

**GENERAL NOTES:**

1. Base information including topography, grading, utilities, building and existing vegetation location prepared by G.D. Houtman & Son, INC. Additional existing vegetation identified by GTP on 3/24/20.
2. This plan is for landscaping purposes only.
3. The Landscape Architect's seal applies only to the landscape portion of this plan. See Sheet LP-2 for Planting Details and Notes.
4. All plant material is to be field adjusted as necessary to address existing site conditions, proposed unit landscaping, and to ensure that clear sight triangles and clear sight lines are maintained.
5. Proposed trees shall not be planted over the top of any sewer or water laterals, mains or services. Sewer and water laterals, mains and services are shown on Landscape Plans for reference only. See engineers plans for location of all utilities.
6. Shade and evergreen trees shall be planted fifteen (15) feet from overhead utility lines or light standards. Utilities are shown on Landscape Plans for reference only. See engineers plans for location of all utilities.
