# Spring Seminar

**Join the Wyncote Academy community for the Spring series of parent seminars...**

*The topics for the 2016 Spring seminars were chosen to provide parents, educators, and professionals with an open forum to exchange ideas and discuss common concerns. We look forward to evenings of lively dialog and a productive exchange of ideas. The seminars are open to the general public, free of charge.*

Saturday, February 6, 2016 11:00 AM Michael Connelly, Esq

**“Special Education 101: What Every Parent Should Know”**

*Does your adolescent have a learning issue, emotional disability or other health impairment? Mr. Connelly, from the McAndrews law office, will help you understand your rights and what can be done. Learn how you can support your child so they can get the help they need. Deal with your child's needs in a proactive and positive manner!*

Saturday, May 14, 2016 11:00 AM—Dr. Adam Berman, PhD

**“Summer is here...what to do?”**

*Help your child improve in their peer and family relations, behavioral control and self-esteem, while reducing their hyperactivity, impulsivity, aggression and inattention. Dr. Berman will discuss some positive alternative programs that combine, both Social and Emotional Interventions with Education, in order to help alleviate living with a summer of full of issues and complaints.*

**Tours and refreshments begin at 10:30 am!
