

The information shown on this plan is the result of a professional service rendered by G.D. Houtman & Son, Inc. Reproduction of this plan without approval of G.D. Houtman & Son, Inc. is not permitted. The reproduction of a copy of this plan for the purpose of creating additional copies or making a plan shall, in no circumstance, be approved. Certification for the work contained herein is limited to the entity for whom the work was performed as of the date shown on the plans.

Note: All locations of existing utilities shown on the plan have been developed from existing utility records and / or above ground examination of the site. Completeness or accuracy of locations and depth of underground utilities or structures cannot be guaranteed. Contractor must verify location and depth of all underground utilities and facilities before start of work, as per PA Act 181 as per the latest amendment of PA Act 287 of 1974, Effective Mar. 28, 2007.

G. D. Houtman & Son, Inc. reserves its common law copyright and all other proprietary rights in these plans. All drawings, specifications and copies thereof are to remain property of G. D. Houtman & Son, Inc. They are to be used only in respect to this project. They are not to be used or represented to be suitable for reuse by owner or others on extensions of project or any other project. They are not to be assigned to any third party without first obtaining written permission by G.D. Houtman & Son, Inc. Any re-use without written permission for the specific purpose intended will be at the third party's sole risk and without liability or legal exposure to G. D. Houtman & Son, Inc. The third party shall further indemnify and hold harmless G. D. Houtman & Son, Inc. from all claims, damages, losses and expenses arising thereto or resulting therefrom.

These plans were prepared to obtain Subdivision/Land Development approval from the governing Municipality and to obtain certain permits from state and federal agencies. If a surveyor or engineer other than G. D. Houtman & Son, Inc. is contacted to perform construction stake-out services, said surveyor or engineer shall assume the responsibility for verifying dimensions, elevations, presence of underground utilities, utility interferences, building size, etc. for coordinating information shown on lay-out plans, grading plans, utility plans, profiles, and details and for coordinating these plans with plans prepared by others such as utility companies, architectural building plans, landscape plans, lighting plans and etc.
